Parent/Guardian Agreement:

I give permission for my child to ride in the church van. My permission is given, for any church official in charge, to obtain necessary medical attention in case of sickness or injury to my child while in the van or participating in any church sponsored function.

I do hereby verify that the above information is correct and I do hereby release Geneva Baptist Church from any responsibility of any injury or accident that may occur while my child rides the church van or participates in any activity sponsored by Geneva Baptist Church. I also understand requirements to ride the van and will encourage my child to follow them. I acknowledge that the van is an extension of Geneva Baptist Church functions and Christ-like conduct by all participants is required. Mutual respect for all riders is required with no horseplay, fighting, verbal, abuse or arguing allowed. Anyone playing music on devices, while on the van, must utilize head phones and play music at a level that other riders cannot hear. Seat belts must be worn and booster seats will be provided for children from 4 years through 8 years. For children requiring infant seats, they must be provided by the parent/guardian and the parent/guardian must accompany the child. Interaction among genders must reflect Christian priority with no embracing, kissing or other inappropriate public displays of affection allowed. I also acknowledge that anyone who rides in the van to an activity will be required to return in like manner unless written permission is given by the parent/guardian.
